# Index to Volume 8

## Subject Index

A technique, Andrews, 306
Academic success, a vivid method for presenting chances of, 344
*American Council on Education-Psychological Test,* 99, 225
Automated learning, 272

*Bender-Gestalt,* 207
*Berger Scales,* 172
***Berkeley Public Opinion Questionnaire,* 26, 30**
Brief counseling with poor college risks, 318
*Butler-Haigh Self-Ideal Q Sort,* 21, 331, 338

*California Psychological Inventory,* 71, 147, 185
*California Test of Personality,* 43
Chi square, use of, 222, 369
Client-centered psychotherapy, 20
College achievement, willingness to accept limitations, and, 140
College persistence, factors in, 322
*College Qualification Test,* 323
College risks, brief counseling with, poor, 318
Communication,
  constructs and, 3
  in counseling, 25
*Communication Rating Scale,* 26, 27
Counseling,
  as a science, 2
  behavior correlates of social desirability scale, some, 49
  case outcomes, 37
  changes in self reference, during, 112
  communication and, 25
  constructs and communication in: a limited theory, 3
  early termination of, 31
  evaluation of, 99
  movement from non-self to self, 20
  nature of man, and, 186
  of poor college risks, 318
  policies *re* release of information, 89
  progress, and empathic understanding, 330
  quantification of psychotherapeutic interaction in counseling groups, 54
  university counseling center, 147, 154
  youthful offenders, evaluating an organized counseling service for, 351
Counseling centers, university,
  counseling role of, 231
  socio-economic status and, 239
Counseling goals,
  treatment goals, psychotherapist, 250
  mobilizing the counselee as a, 243
Counseling psychologists, professional status and relationships of, 278
Counseling psychology, some dilemmas in graduate school, 17
Counselor,
  and research, 290
  and security, 98
  characteristics of, 25
  client-counselor similarity, 334
  client perceptions of, 37
  client response to, at different levels of experience, 224
  educated, 14
  needs of, 370
  personality and therapeutic techniques, 89
  prediction of behavior, 37
  social service interest, 9
  statistical prediction vs., of job satisfaction in engineering, 224, 370
Creativity, roadblock and road to, 9

*Descriptive Check List,* 315
*Dictionary of Occupational Titles,* 225
*Differential Values Inventory,* 324

*Edwards Personal Preference Schedule,* 32, 71, 370

Kafka as a vocational counselor, 291
*Kuder Preference Record,* 75, 225, 291

Male and female personality characteristics, 31
Management development program, selection procedures of, 121

*Manifest Anxiety Test,* 26, 29, 30
Manuscripts accepted for forthcoming publication, 96, 192, 288, 384
Manuscripts, journal, to require an abstract, 372
*Matteson Self-Evaluation-Scale,* 174
Medical school applicants, and SVIB patterns, 159
*Merrill and Heathers Checklist,* 174
Method for presenting changes of academic success, 344
*Metropolitan Achievement Tests,* 282
*Michigan State University Reading Test,* 324
*Minnesota Multiphasic Personality Inventory,* 26, 29, 37, 49, 75, 122, 155, 279
  discrimination between "normal" and "maladjusted" students, 88
  predictive use of in a college counseling center, 154
*Multiple Aptitude Tests,* 92
National Merit Scholarship Program, research in, 268
Needs, manifest, and occupational stereotypes, 296
*Neuroticism Scale Questionnaire,* 373
Occupational role expectation, change in college major, and self concept, 164
Occupational stereotypes,
  manifest needs, and, 296
  self descriptions, and vocational preferences, relationships among, 314
Occupational titles, some explorations with, 82
*Omnibus Personality Inventory,* 164
Personality inventory scores, influence of instruction on, 43
*Phillips Questionnaire,* 172
Prediction, counselor vs. statistical, 370
Problem children, consultation about, 129
Psychological consultant in business and industry, relationships of, 116
Psychological trends, 194
Psychotherapy,
  changes in meaning, during, 105
  group need therapy, 260
  introjection in, 337
  treatment goals, 250
Research,
  and the counselor, 2, 290
  in school counseling, 179
  planning conference at Cornell, 363
*Rokeach's Dogmatism Scale,* 324
*Rorschach,* 130, 205
*Reading for Understanding,* 282
*Sales Sentence Completion Blank,* 374
School administrators, perceptual changes in, 129
School counseling, research in, 179
Science and counseling, 2
Screening: identification or prediction?, 279
Self,
  movement from non-self to, 20
  perceptions of, and perception of role in schools of nursing, 62
*Self-Activity Inventory,* 172
Self concept,
  changes in, during counseling, 112
  measurement of, 170, 368
  occupational choice as a crystallized, 211
  occupational role expectations, change in college major, and, 164
  Q sort, Butler-Haigh, 21, 331, 338
  relationships between self-descriptions, occupational stereotypes, and vocational preferences, 314
*Self-Rating Inventory,* 172
Semantic differential, 105
*Sheerer Scale,* 172
*Shipley-Institute of Living Scale for Measuring Intellectual Impairment,* 122
